IVANA HYDE

Hey Ivana! Welcome to Elite, for those who don't know you, tell us a bit about yourself: I'm 22, live in London. I am a full time model and Twitch streamer and also a horror movie addict.

What was it like to work with the photographer on this shoot? Amazing, it was a fun and relaxed atmosphere with some great music and jokes. We worked really fast and for amazing results.

What was your favourite part of the shoot? Definitely the bath and shower sets we did... nice and warm haha.

If you could model for any brand, product or company, which would it be and why? Killstar, most of my wardrobe is from their brand and I just love their style.

Photographer: ATOM

Are you excited for what's to come in 2019? What do you have planned? Yes definitely, I will travel more, going to some amazing festivals and make a 2020 calendar.

What's your go to favourite movie? That's hard to say, but the Thing 1982 is definitely in my top 10.

If you could spend summer anywhere in the world, where would you go? Japan, I would love to explore the cities and visit as many shrines as possible. Their "alternative" streetwear also looks amazing and I would love to shop!

If you could listen to one album for the rest of your life, what would it be? She Wants Revenge - She Wants Revenge.

On a scale of one to ten, how good looking are you? I should say at least a 7 haha.

Describe your perfect photoshoot: In the streets of Tokyo or on the beach in LA.

Who was your favourite model of 2018? I have to say my lovely friend Ruby Alexia, she's stunning and an absolute sweetheart. Second model would be Gaiapatra, she's so pretty and inspiring.

DOLLY DIAMOND

Photographer: ATOM

Hey Dolly! Welcome back to Elite, what's it like to be on our cover again? I feel pretty special to be honest. I never thought I'd be back here!

What was it like to work with the photographer on this shoot? He's been a good friend of mine for around 5 years, so it was amazing to be able to finally work together on a creative level and he gave me amazing tips for my own photography which was so generous.

What was your favourite part of the shoot? When the bath flooded.

If you could model for any brand, product or company, which would it be and why? Gregg's merch - because its Gregg's. I'd love to be a SuicideGirl that's also a Playboy bunny. That would be pretty awesome.

Are you excited for what's to come in 2019? What do you have planned? I already went to the UK from Sydney for a month to see family and friends as well as ATOM who shot this cover! A Brazilian butt lift in a couple of weeks... UK SuicideGirl shootfest in May... LA in July with SuicideGirls... Applying for my permanent residency in Australia.... Camping trips and festivals. It's going to be one hell of a year.

WHO WAS YOUR FAVOURITE MODEL OF 2018? VICKY AISHA AND PEACHHES.

Photographer: ATOM

What's your go to favourite movie? Harry Potter.

If you could listen to one album for the rest of your life, what would it be? I'd rather silence. I'd hate every song within a year.

What's your favourite part of your body and why? Soon to be my bum as it's finally going to be the shape I really want.

Describe your perfect photoshoot: A treehouse in Hawaii or the Joshua Tree with an awesome creative team.

ON A SCALE OF ONE TO TEN, HOW GOOD LOOKING ARE YOU? 10 OUT OF 10 FOR LOOKING LIKE ME. I DONT KNOW IF THAT'S GOOD LOOKING BECAUSE I'M ALSO 0 OUT OF 10 WHEN I ACCIDENTALLY OPEN THE FRONT CAMERA.

Photographer: ATOM

WHAT'S A GUARANTEED TURN ON FOR YOU? FOOD.

A close-up photograph of a woman with vibrant pink hair. She is looking directly at the camera with a neutral expression. Her right shoulder is exposed, revealing a large, intricate tattoo of a mandala or lotus flower design. She is wearing a light-colored, patterned top.

Photographer: ATOM

IF YOU COULD SPEND SUMMER ANYWHERE IN THE
WORLD, WHERE WOULD YOU GO? HAWAII OR MEXICO.
OOH ACTUALLY BORA BORA OR BURNING MAN ON REPEAT.

Who is your 'model to look out for'? So many. I rate so many hopefults in SG Australia and just value everyone so much.

What was your favourite part of the shoot? All of it!

WHAT'S A GUARANTEED TURN ON FOR YOU? I FIND TATTOOS VERY ATTRACTIVE, I ALSO HAVE A FETISH FOR BIG HANDS.

A close-up photograph of a woman's neck and shoulder area. She has a large, detailed tattoo of a scorpion on her upper back and neck. Her shoulder features a tattoo of a hand holding a heart. A vertical tattoo on her left arm reads "I can't change my". Another tattoo on her arm says "They know". A small red stud earring is visible. The background is a soft-focus purple.

Are you excited for what's to come in 2019? What do you have planned? I want to travel more, I want to shoot with new artists, meet new models, see new places etc. Also, I want to rebuild my IG account as that has been disabled twice.

TINK

Hey Tink! Welcome to Elite, for those who don't know you, tell us a bit about yourself: I'm a bit of an oddball really, I like to pull faces, do silly voices, and constantly speak in different accents, it can be confusing AF if you don't know me! I like to wind people up and make them feel uncomfortable, I find it funny. I have a bit of a sick sense of humour, I find people's pain funny, unless it's serious! In that case I don't find it funny, but I do have a terrible habit of awkward laughing. Thankfully it's not got me into any trouble... yet!

What was it like to work with the photographer on this shoot? I always have an amazing time with him, he has me in stitches, which is both good and bad! Good because I'm so comfortable, bad because I'm trying to be serious and I can't because I'm constantly laughing!

What was your favourite part of the shoot? To be perfectly honest, it was seeing my friends Sophoulla and ATOM. I hadn't seen Soph since LA, and I'd missed her so much! So it was amazing to just be with her again! And Fraser, well what can I say about Fraser? You can't not have a good time when you're with him, I swear I end up with a six pack after every shoot we do from laughing so hard! And he'd chosen an amazing place to shoot, there was so much character there! I wish we had a chance to shoot more there, it was filled with cool stuff like collectibles and wall art.

If you could model for any brand, product or company, which would it be and why? I'd love to be a model for makeup lines such as Kat Von D Beauty or Urban Decay, as I love makeup! I have a serious problem, I went on a 3 day shoot to Malaga with the Elite team and literally brought 3 plastic bags full of makeup that had to be run through security, and that was just the liquids! I'm also in love with Honey Birdette, their line is unreal... so I'd LOVE to model for them.

Photographer: ATOM

**WHAT'S YOUR
FAVOURITE PART

WHY? RECENTLY
IT'S MY NEW
TATTOO ON
MY THIGH! I'M
OBSESSED WITH
IT, MAKES ME
FEEL AMAZING,
EVEN IF IT IS IN
THE ITCHING
STAGE RIGHT NOW!**

Photographer: ATOM

Are you excited for what's to come in 2019? What do you have planned? I haven't got anything planned really, I might be going to the shootfest in France, but that's it really. I've had my confidence knocked recently so I'm trying to focus on getting myself back after a hard time. There's a few new photographers I'll be working with in the near future though, which should be fun.

What's your go to favourite movie? Disney always makes me feel safe, so if I'm having a bad day I like to watch things like that, and musicals, I still haven't given up on being an actress, so watching that gets me excited and brings me up! On the other hand, I really like scary films, even though I jump at everything!

If you could spend summer anywhere in the world, where would you go? Hawaiiiiiiiiiiiii, I've always wanted to go! I just think I'd be such an island baby! And I could learn the hula! I love hula hooping so I'm hoping that would help!

If you could listen to one album for the rest of your life, what would it be? Could I cheat and say all songs by Ariana Grande? I'm obsessed with her, she has a weird way of singing EVERYTHING I'm feeling, and when I listen to her songs it gives me confidence, I don't know how! But I can literally listen to her for every mood and it just helps!

What's a guaranteed turn on for you? A definite turn on is someone with confidence and passion, whom also has a goofy side and isn't afraid of a woman's authority and opinion.

Describe your perfect photoshoot: I've always wanted to hide in a field of long grass with daisies everywhere and the sun setting, so that would be pretty fun... there's too many things I want to try, I don't think I could fit it all on here!

Who was your favourite model of 2018? I totally 'fan-girled' the first time I met Keshia haha, she's too cute! And after our shoot together I fell in love! She's such a sweet person, and I felt instantly comfortable with her. She has a killer body, incredible face and I'm soooo beyond jealous of her, but love her at the same time, if that makes sense! Haha.

Who is your 'model to look out for'? This is impossible to narrow down! There's so many! I recently met an array of babes in Malaga for a shoot, and they were all so incredible! I loved shooting with Zoe Marie, she was such a sweetheart and really looked out for me, that, and she's like a modern goddess! Have you seen her!?

Photographer: ATOM

What do you like most about Elite? I love that they don't just feature one type of girl, they have a multitude of girls who are all babes in different ways! Elite know how to make you feel comfortable, they're very chilled and love to support you in everything you do.

WHERE HAS BEEN YOUR FAVOURITE PLACE TO TRAVEL? I LOVED BEING IN LA FOR MY SHOOT WITH SUICIDE GIRLS, BUT I DIDN'T EXPLORE IT ENOUGH! I'VE NOT TRAVELED A LOT AT ALL TO BE FAIR AS I'M FROM A BIG FAMILY AND WE COULDN'T REALLY AFFORD IT! BUT ONE OF MY FAVOURITE HOLIDAYS IS PROBABLY WHEN MY EX TOOK ME TO CANADA TO SEE HIS FAMILY. I GOT TO SEE THE NIAGRA FALLS AT NIGHT, GO TO HUGE CASINOS AND GET ALL SNUGGLED UP AFTER A PHENOMENAL DAY SKIING!

Photographer: ATOM

Finally, is there anything you would like to say to the Elite Readers? Thank you for all your support, and if you want to see more make sure you follow @eliteonlinemag and @atom_creative as you'll never be disappointed! And if you liked my interview, make sure you follow me on Instagram, it's the smart thing to do! Lots of loveeeeeee! Ox

KAYDIE

Photographer: AutumnSky

Hey Kaydie! Welcome to Elite, for those who don't know you, tell us a bit about yourself: I'm equal parts a Disney nut, a crazy cat lady and a circus freak! I have my little fur pack at home and train pole, aerial hoop and silks for fun... Gyms aren't my idea of a good time. I decided a few years ago that I wanted to be a walking rainbow and I've definitely made a good start on that!

What was it like to work with the photographer on this shoot? I loved working with Autumnsky! She's so nice and knows exactly how to get a good shot. I'm excited to work with her again.

**WHAT'S YOUR FAVOURITE PART OF YOUR BODY AND WHY?
I REALLY LIKE MY EYES. THEY'RE GREEN, SO THEY CHANGE
COLOUR DEPENDING ON MY SURROUNDINGS. OR MY BUM...
DEPENDING ON HOW WHOLESOME WE'RE BEING.**

What was your favourite part of the shoot? The whole experience was super fun! It was my first ever shoot of this kind. Obviously loved going through the photos at the end though.

If you could model for any brand, product or company, which would it be and why? Probably Irregular Choice. I've been obsessed with their shoes for years and have quite the collection!

Who was your favourite model of 2018? Probably Vaughn. I love her so much.

Are you excited for what's to come in 2019? What do you have planned? I have a ridiculous amount of stuff planned for this year. I recently landed my 3rd music video which was an insane amount of fun. The shoot line up that I have so far is going to bring a lot of amazing content too.

What's your go to favourite movie? My movie collection is a bit extensive so it gets tricky to choose sometimes, but you can't go wrong with movies like Pitch Perfect really. Can't beat a bit of a giggle and a sing and dance!

If you could spend summer anywhere in the world, where would you go? I'm dying to go to Disney World. I've been to Disneyland a bunch and absolutely loved it, so can't even imagine how amazing Disney World would be!!

WHO IS YOUR 'MODEL TO LOOK OUT FOR'? THIS IS SO HARD BECAUSE I KNOW SOME AMAZING LADIES! I'M FULLY CRUSHING ON TOMMY GUNN RIGHT NOW THOUGH.

Photographer: AutumnSky

On a scale of one to ten, how good looking are you? Hmm. I'd say on a regular day, I'm maybe a 6. Like, I don't think I'm hideous but also not someone you'd whip around for on the street to get a look at. When I make an effort, I feel like I'm alright though!

What's a guaranteed turn on for you? It sounds so cliche, but I want someone to make me laugh. I had a guy send me a video once where he was drunk and taking a piss by the side of the road and telling me how attractive I was haha! Can't see that working if anyone else did that though. I find flirting super cringey.

Where has been your favourite place to travel? Either Disneyland or the road trip I did around Europe shooting in hidden abandoned buildings. It was stuff you wouldn't see on a regular holiday because the places are kept secret

What do you like most about Elite? I love how fun it is and obviously the models. Can't complain when you get to look at all these gorgeous ladies!!

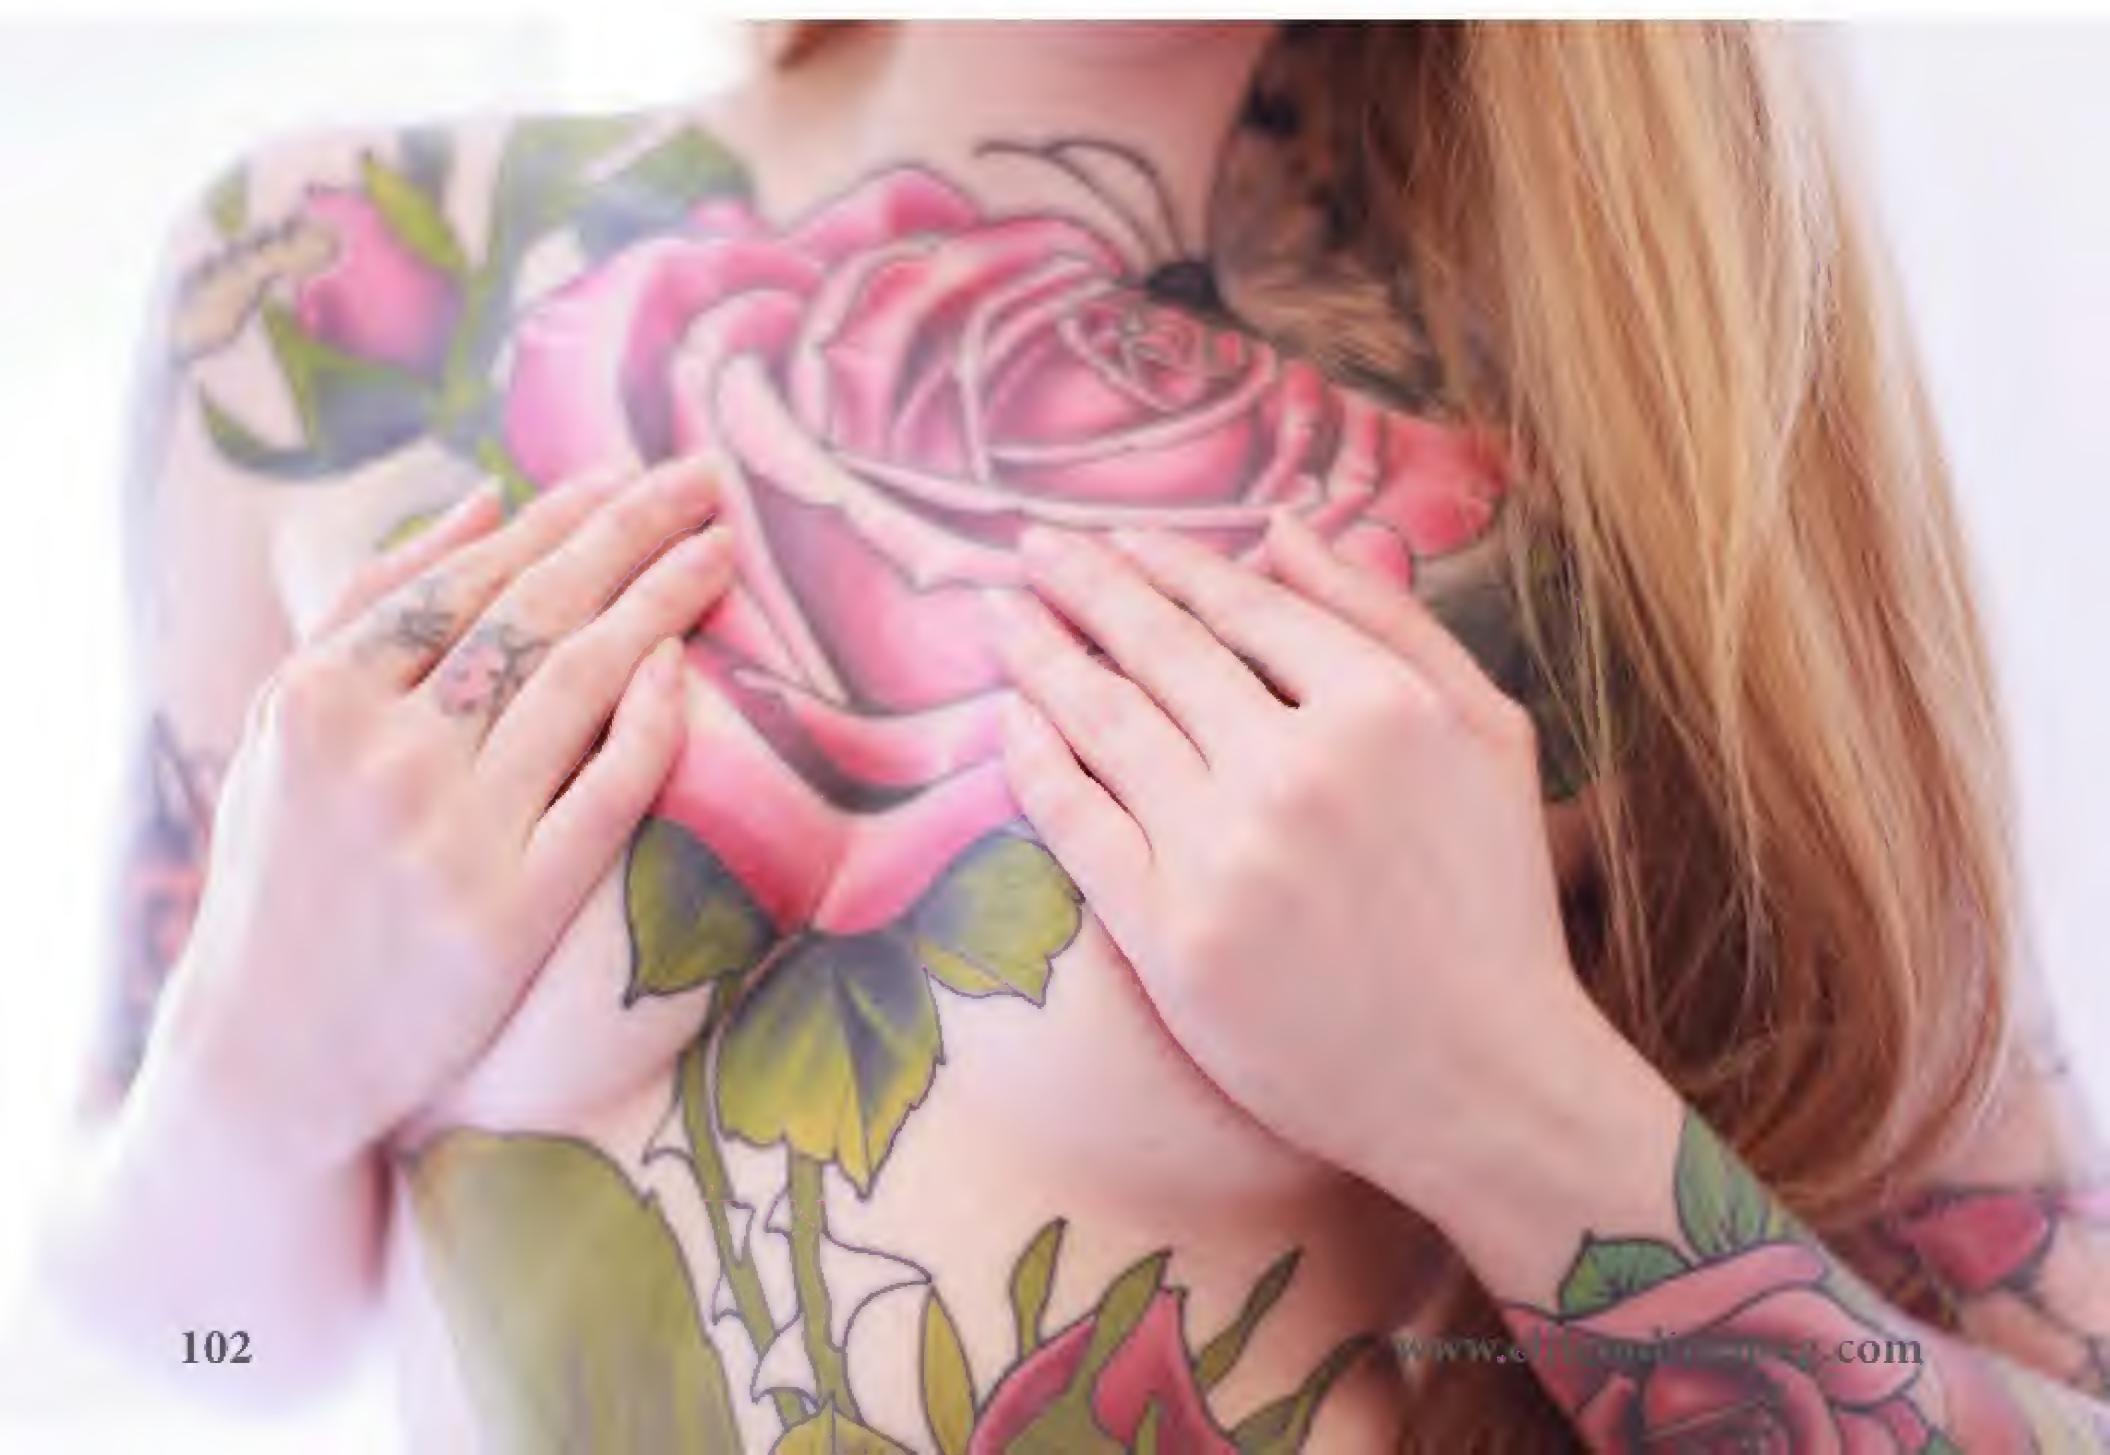

Photographer: AutumnSky

Hey! Welcome to Elite, for those who don't know you, tell us a bit about yourself: Hi! My name is Aleks and I don't know what to say... haha.

What was it like to work with the photographer on this shoot? It was great. Shooting with ATOM is always a pleasure.

WHAT'S A GUARANTEED TURN ON FOR YOU?
INTELLIGENCE ALWAYS. AND A BIRMINGHAM ACCENT.

If you could model for any brand, product or company, which would it be and why? That's a hard one, but I think @malicelingerie.

Photographer: ATOM

Are you excited for what's to come in 2019? What do you have planned? Yes and no. I'm excited about the UK shootfest in May and meeting all the beautiful people but that's it. The future and me being out of control... it scares me.

What's your go to favourite movie? Depends on the mood. When I'm sad or lonely I watch Twilight, but my fave movie of all time is Melancholia by Lars von Trier.

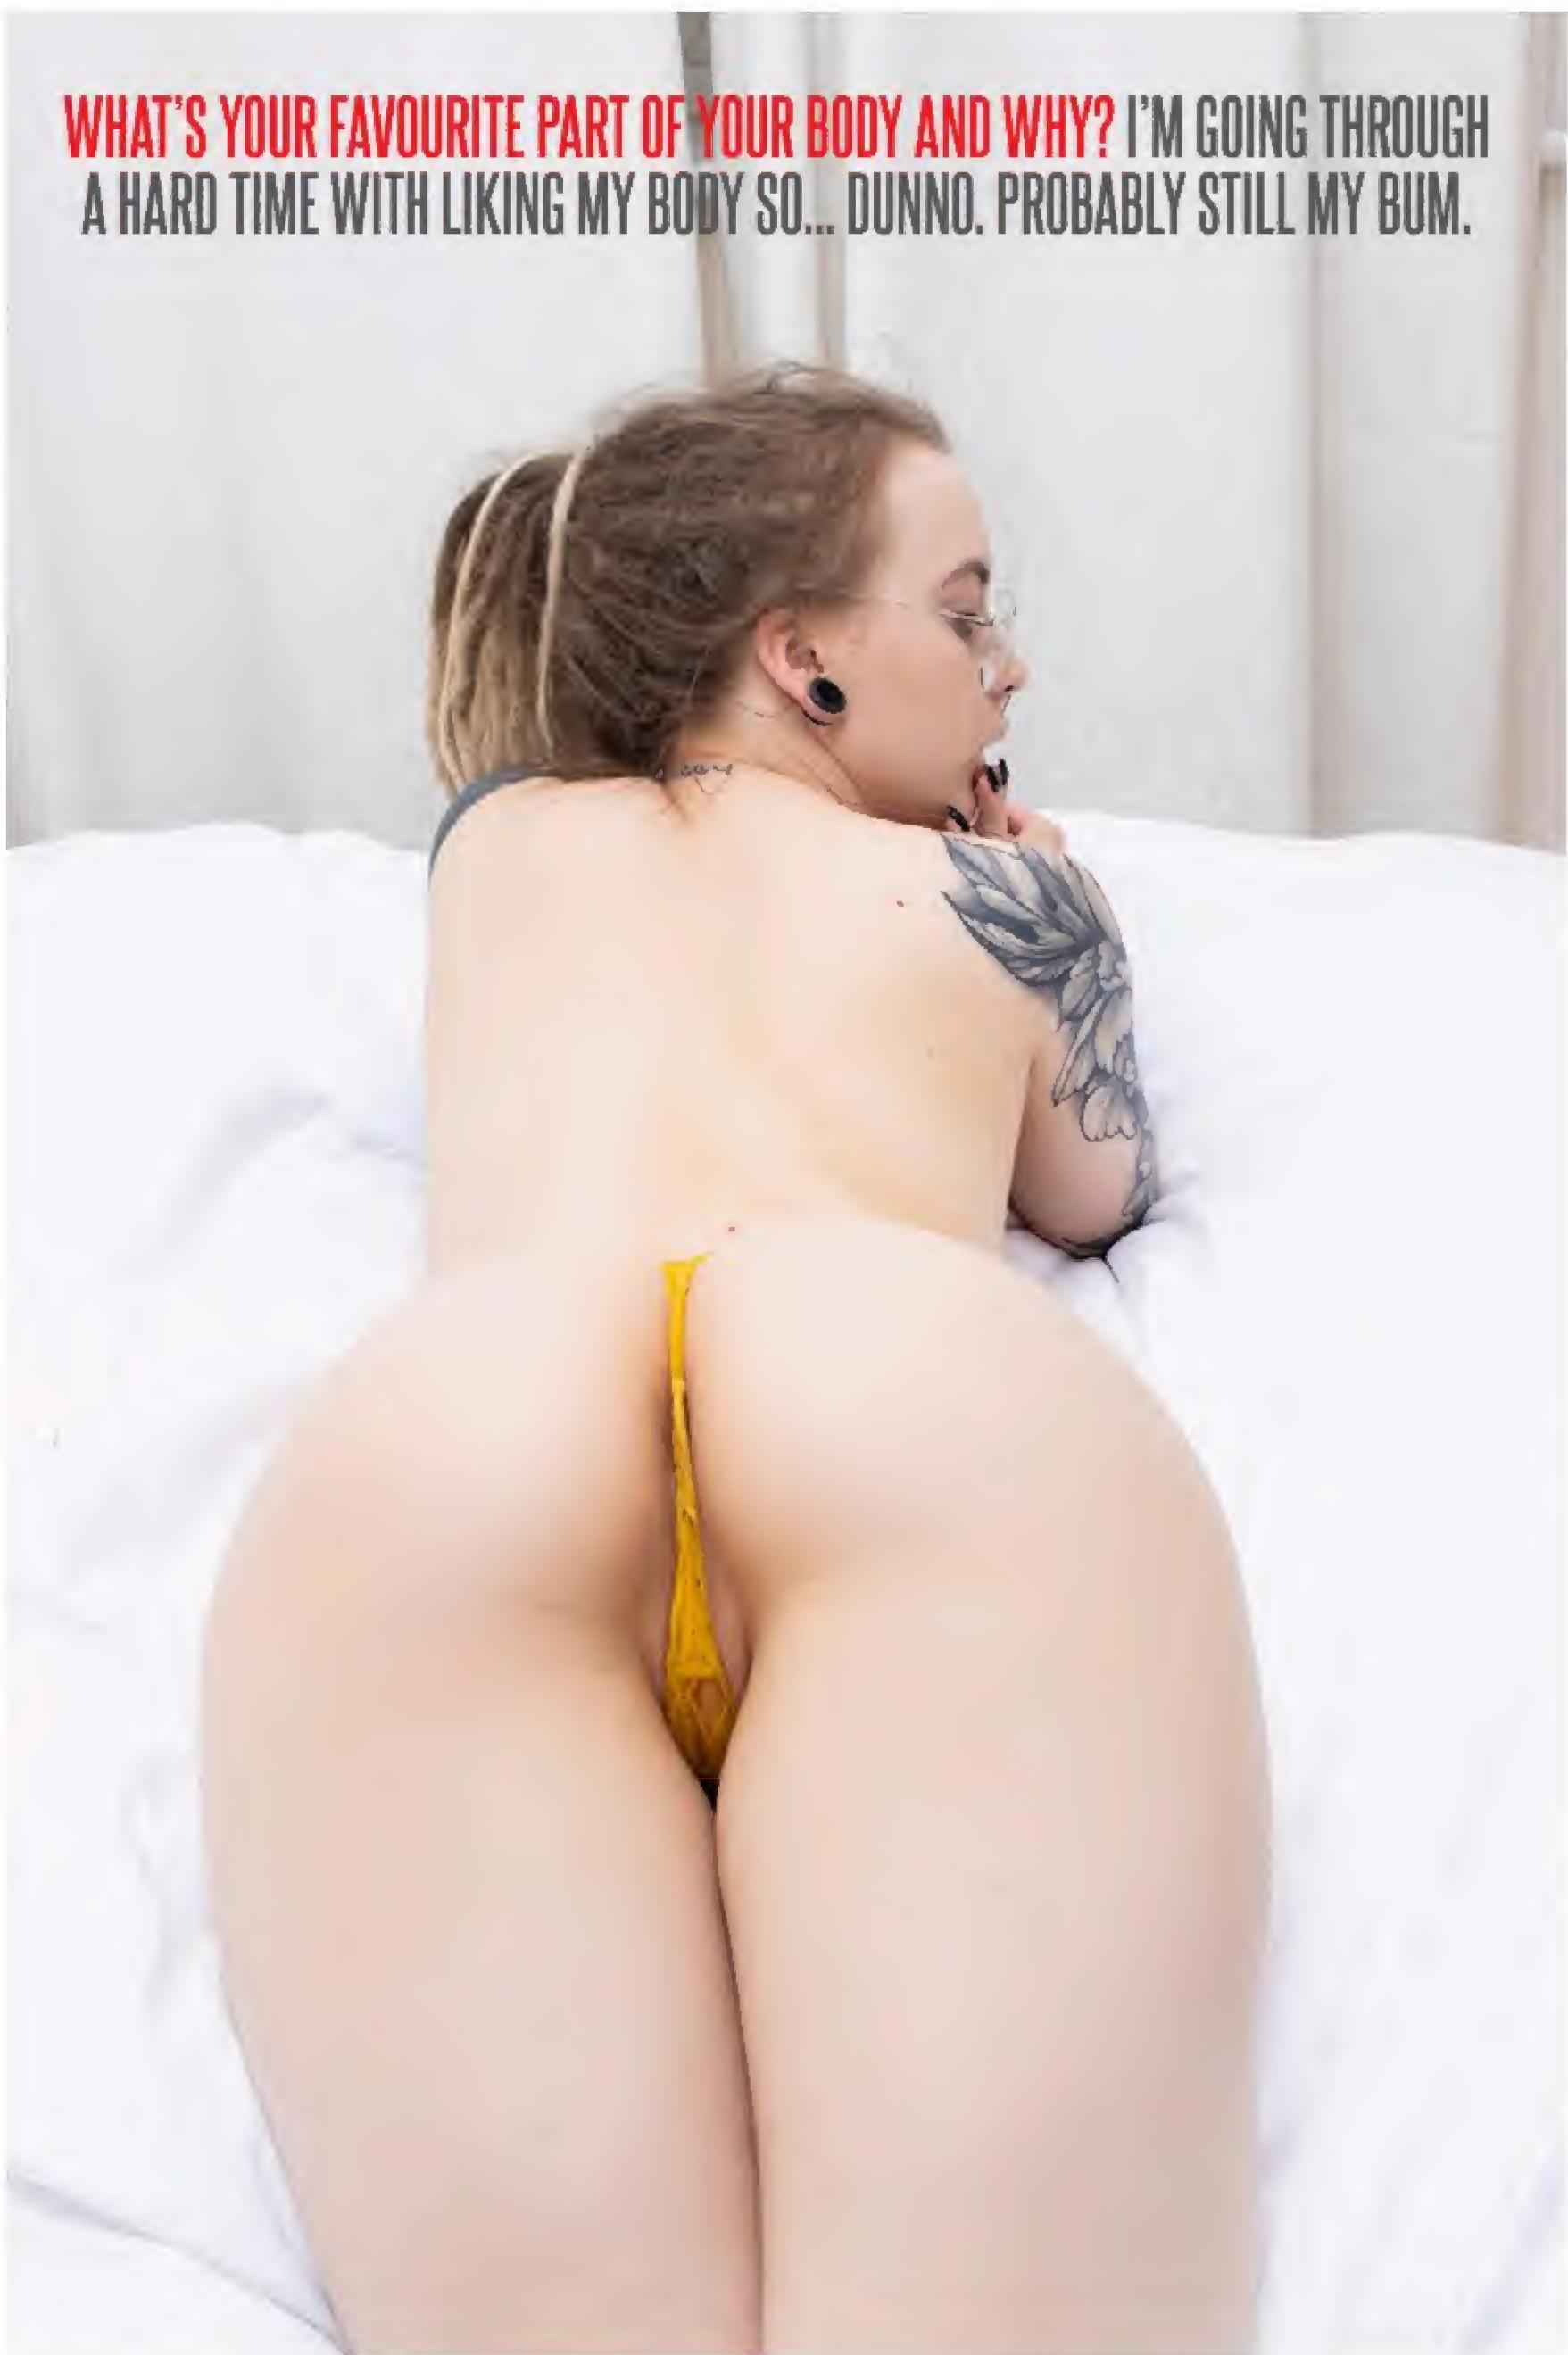

Photographer: ATOM

WHAT'S YOUR FAVOURITE PART OF YOUR BODY AND WHY? I'M GOING THROUGH A HARD TIME WITH LIKING MY BODY SO... DUNNO. PROBABLY STILL MY BUM.

Photographer: ATOM

If you could listen to one album for the rest of your life, what would it be? Don't know. Probably every day the answer would be different. Today probably Jessie Reyez-Being Human in Public.

On a scale of one to ten, how good looking are you?
Probably 6.

Describe your perfect photoshoot: Most of my photoshoots are naked or half naked and I'm always cold so just really good heating (which means hot as hell and everyone else would die).

Who was your favourite model of 2018? @sophoulla. She is the most beautiful, nice and smart human I met in 2018 and probably ever.

Where has been your favourite place to travel? My bed every evening.

What do you like most about Elite? Hmm... the support for all the girls/models they work with. Apart from Elite being a great magazine, the people who make it are amazing friends.

If you could spend summer anywhere in the world, where would you go? Right now... anywhere other than Europe. I need a holiday with water and sun. So if anyone has any suggestion DM me.

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? REMEMBER: YOU ALWAYS HAVE A CHOICE.

If you could model for any brand, product or company, which would it be and why? Drop Dead! I love the brand so much. I also love doing music videos for bands!

What's your go to favourite movie? Girl Interrupted or Breakfast club mainly, but I love Almost Famous too!

If you could spend summer anywhere in the world, where would you go? I really love Vietnam however I never turn down a trip to LA to spend some time with my SuicideGirl ladies!

Photographer: ATOM

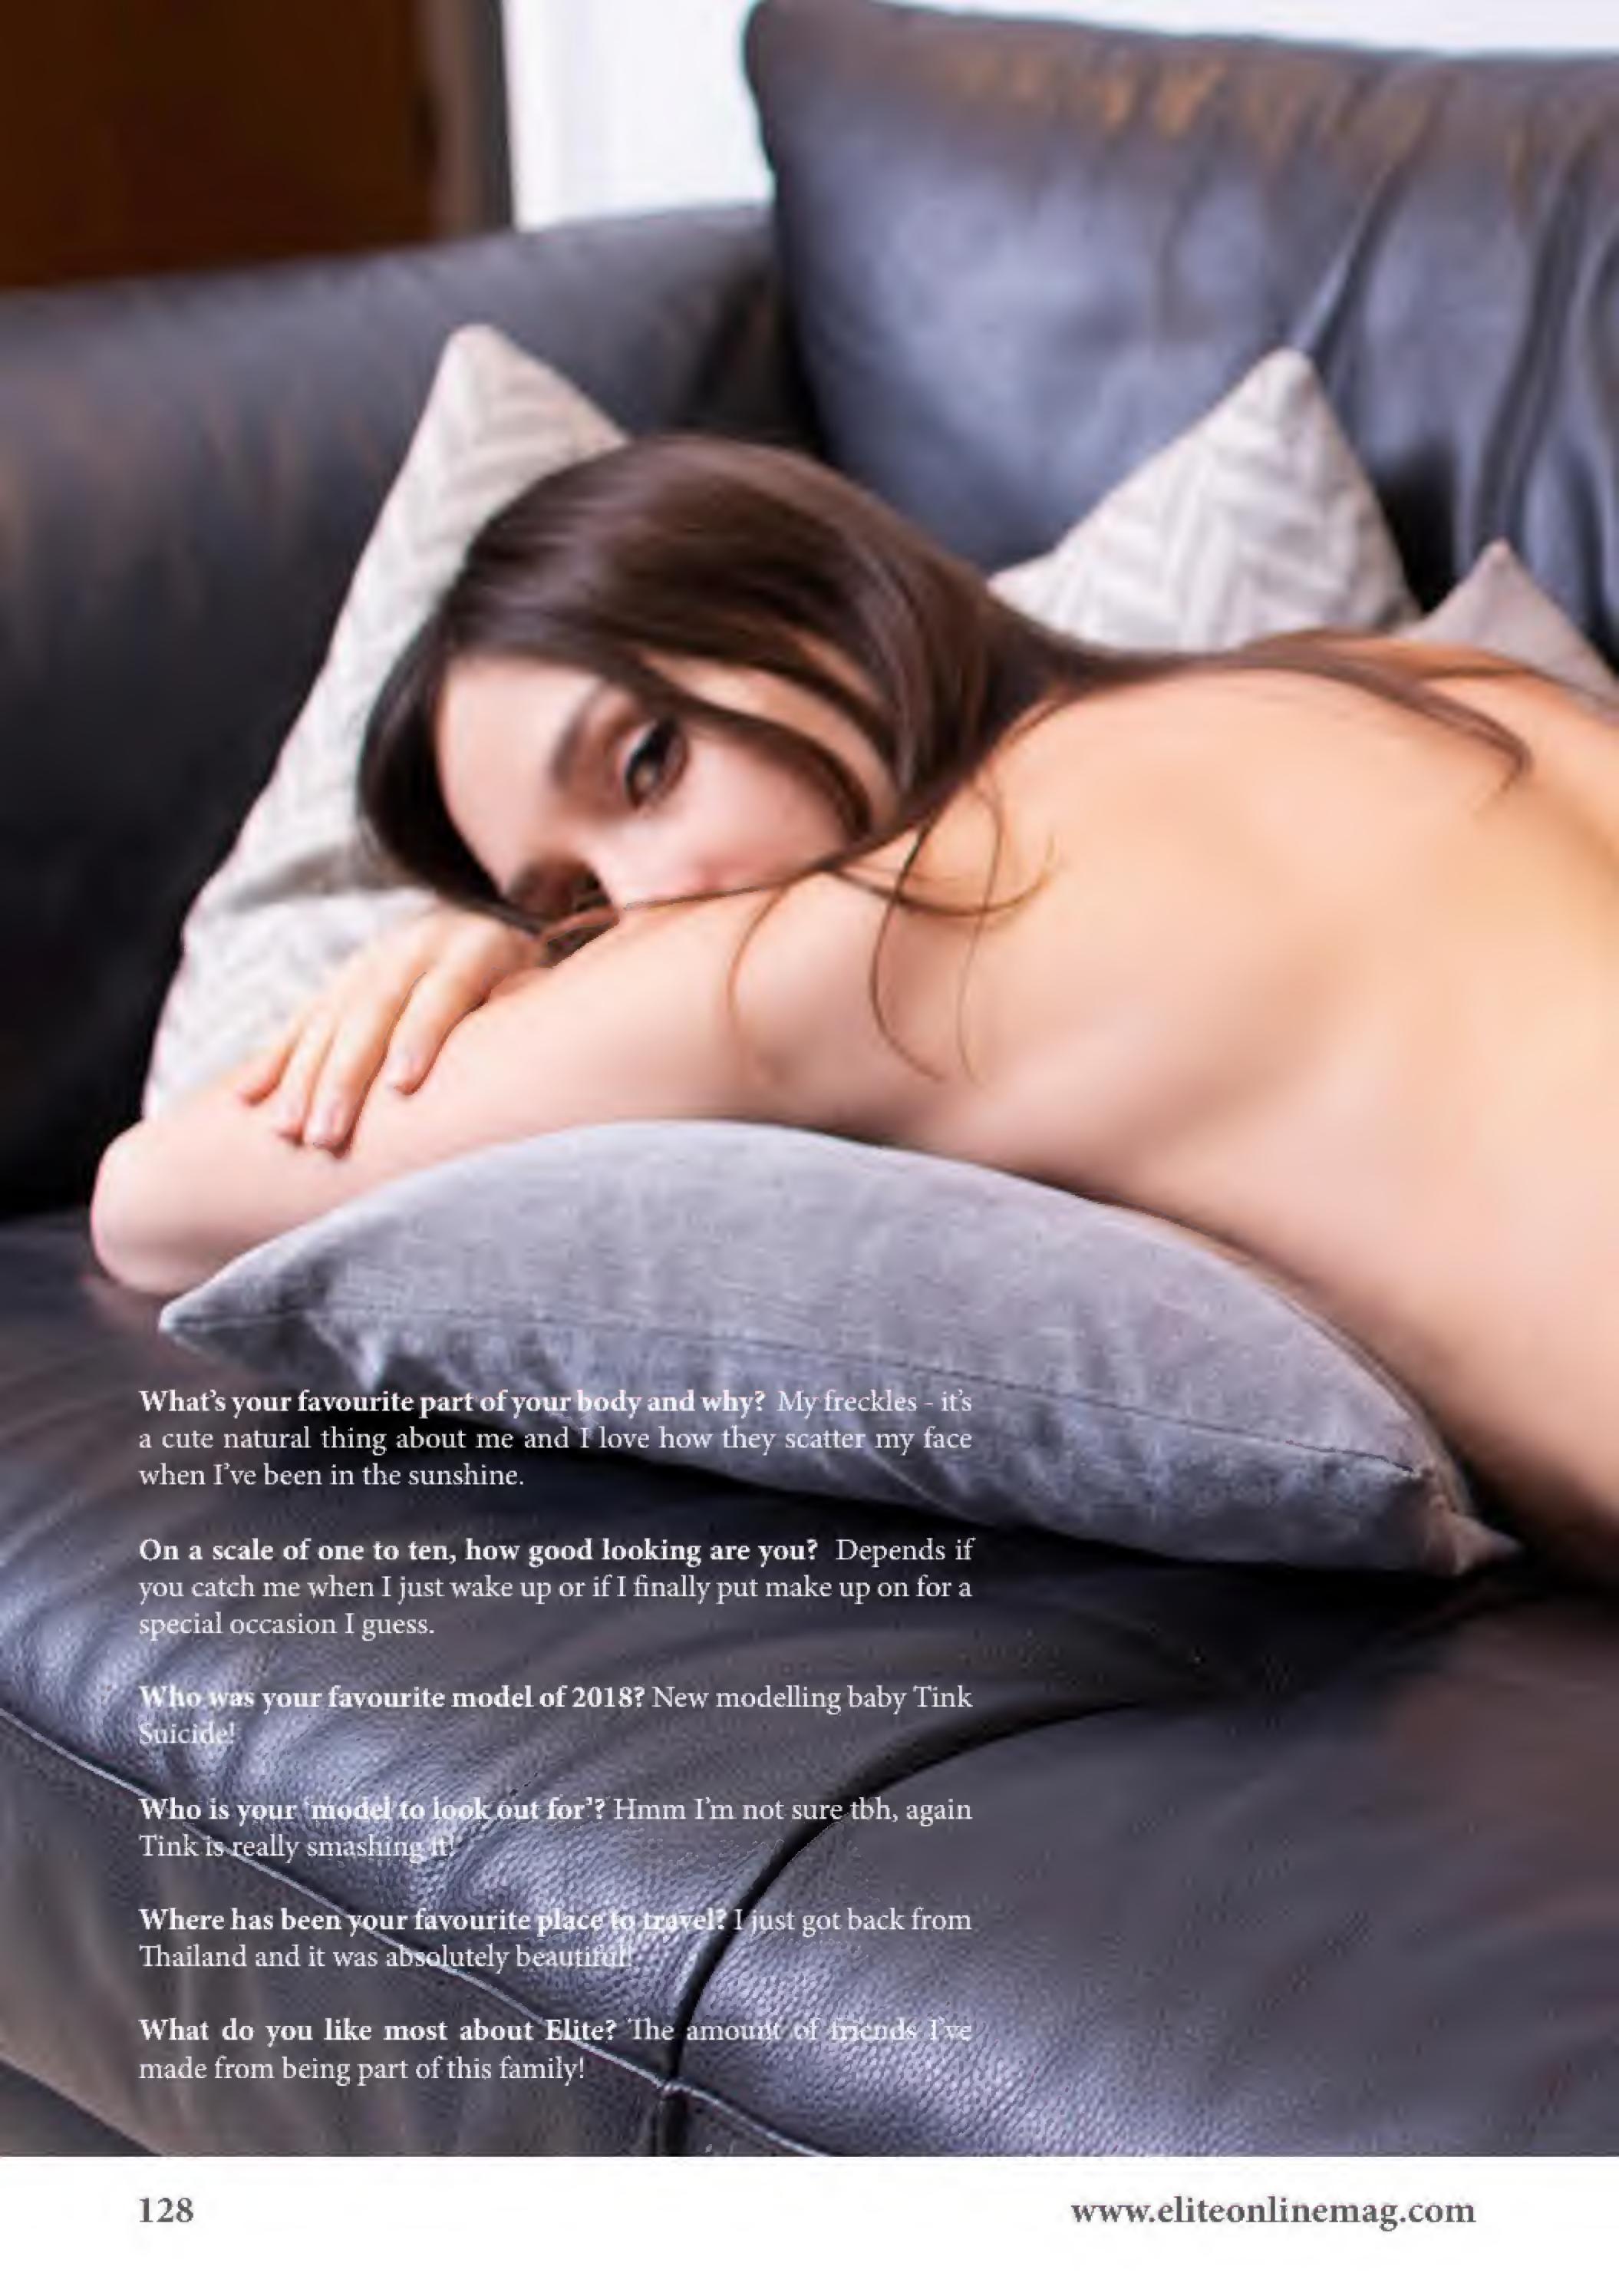

**WHAT'S A GUARANTEED TURN ON FOR YOU?
JUST BEING COMPLETELY COMFORTABLE WITH SOMEONE,

DON'T SMILE AT ME - BILLIE EILISH
CIGARETTES AFTER SEX - CIGARETTES AFTER SEX

What's your favourite part of your body and why? My freckles - it's a cute natural thing about me and I love how they scatter my face when I've been in the sunshine.

On a scale of one to ten, how good looking are you? Depends if you catch me when I just wake up or if I finally put make up on for a special occasion I guess.

Who was your favourite model of 2018? New modelling baby Tink Suicide!

Who is your model to look out for? Hmm I'm not sure tbh, again Tink is really smashing it!

Where has been your favourite place to travel? I just got back from Thailand and it was absolutely beautiful!
